2016-17 PARENT CALENDAR
Family Weekend is an annual fall event for families to spend quality time with their students while experiencing all that Northern Kentucky University has to offer. The weekend has events for attendees of all ages including planetarium shows, athletic events, dinner and recognition of NKU’s Parent of the Year! Registration information is available at parents.nku.edu.

NOMINATE YOURSELF FOR THE PARENT ADVISORY BOARD

The Parent Advisory Board is a group of parent volunteers that provide assistance and feedback to staff and administrators at NKU. It is also the governing body of NKU’s Parents Association. The Parent Advisory Board meets a few times a year to provide input for parent programming, offer feedback on university services and resources for parents, learn about new programs and services for students and parents, and volunteer at various events to welcome new parents.

WHY JOIN?

CURRENT MEMBERS OF THE PARENT ADVISORY BOARD SAY IT’S GREAT BECAUSE…

• It’s a beneficial way to stay connected to your student!
• It provides you with so much information about all the services and resources NKU has to offer.
• It’s a good transition from your days of involvement with the PTA/PTO or with the core of parents who supported athletics, theater, or other interest-based organizations your student participated in during high school.
• It helps you connect with other parents.
• It’s a great excuse to come to campus.

Nomination forms can be found at orientation.nku.edu/parents/board/nominate.html.

STAY CONNECTED

Sign up for the NKU Parents Association (a free service for parents of current NKU students) to receive emails and e-newsletters full of important dates, deadlines, tips, and articles specifically designed to keep our Norse Parents in the loop! Ask questions and connect with other NKU parents through our Facebook page at facebook.nku.edu/nkuparents. Parents can also contact the Associate Director of New Student Orientation and Parent and Family Programs at (859) 572-7625.

SHOW YOUR SUPPORT, VISIT shopnku.com FOR NKU APPAREL, GIFTS, & MORE!
DEAR PARENTS,
FAMILIES AND FRIENDS OF NEW STUDENTS,

Welcome to the Norse Family! I am the current president and starting my fourth year on the Parent Advisory Board here at Northern Kentucky University. The board is excited that you and your student have joined the NKU community.

As your student embarks on the exciting journey of college life, NKU believes in the importance of partnering with parents to support our students. We understand that students are more likely to succeed if their parents are knowledgeable about university resources and embrace a sense of pride as members of the university community. For that reason, the Office of New Student Orientation and Parent Programs provides resources for you, our students’ families, to assist you in guiding your student to success.

We have found that NKU is a truly wonderful place to be, both for students and for their families. We encourage you to talk with your student about taking advantage of all that NKU has to offer through opportunities such as study abroad, student organizations, athletic events, theatre productions, cultural education, and so much more. As a parent, we encourage you to role model that involvement by joining the NKU Parents Association, nominating yourself as a member of the Parent Advisory Board, and attending Family Weekend on an annual basis. By engaging in these events and opportunities, you will learn so much about NKU and strengthen your connection to your student's college experience.

Thank you for supporting your student, and we hope that this first year is the beginning to an incredible experience for your whole family, as well as the foundation for a lifelong love of NKU!

With Norse Pride,

Jeff Rice
Parent Advisory Board President

### Looking Ahead

- **The first few weeks of class are critical!** Encourage your student to develop good habits like arriving to campus early, connecting with other students through campus organizations and events, and eating healthy.
- **BEWARE:** The beginning of the semester can be overwhelming! Remember to show your support for your student but be sure to encourage her or him to establish a connection to NKU from the very beginning. Empower your student to ask for help if he or she needs it!

At NKU we do all that we can to help students succeed. Sometimes students become overwhelmed and may not know what services are available to them or where to go to find those services.

The mission of the Student Success Center is to make it easier for students to find the services and programs they need to be successful at NKU.

Located throughout the University Center, the Student Success Center gives students an opportunity to simply walk in and ask questions. Our well-trained staff are there to help.

Norse Advising assists many incoming students in choosing what they want to study. They work closely with Career Services, encouraging students to explore career options that fit their strengths and interests. While a lot of our students are very tech savvy, others can find assistance from our technology gurus at the Norse Tech Bar.

The Learning Assistance Center provides tutoring as well as a math and writing center. The office of Testing Services provides support for placement, NKU accommodated classroom exams, undergraduate admissions exams, as well as certification/licensure. TRiO—Student Support Services provides academic, career and financial coaching for first-generation college students.

University Connect and Persist (UCAP) provides one-on-one guidance and support, and is home to a Financial Fitness program, a Book Lending Library. The Veterans Resource Station works to ensure a smooth transition for student veterans. First Year Programs provides students the opportunity to experience their first college year in an environment that promotes active learning, collaboration and personal development.

The Student Success Center also houses the Center for Global Engagement and International Affairs. This office works with both international students who come to NKU, as well as NKU students who have a desire to study abroad.

Health, Counseling, and Student Wellness is dedicated to helping students achieve and maintain optimal levels of physical, mental and emotional functioning.

For more information about the resources within the Student Success Center and the many other resources on campus, please see the “Quick Reference Guide” on pages 26-27 of the calendar.
